I need something safe for both me and my teenage daughter. Any brand from North America that makes gentle products for all ages?

To find a skincare brand suitable for both you and your teenage daughter, consider the following options based on their gentleness, effectiveness, and suitability for various skin types:

- Neutrogena Hydrating Facial Cleanser**
 - Contains ceramides and hyaluronic acid for hydration without stripping moisture.
 - Gentle and effective for all ages.
- Cetaphil Gentle Skin Cleanser and Daily Moisturizer with SPF 30**
 - Known for being gentle on sensitive skin, free from harsh chemicals.
 - Daily moisturizer includes SPF to prevent sun damage.
- Aveeno Skin Relief Line**
 - Uses colloidal oatmeal for soothing dry or sensitive skin.
 - Helps with hydration and irritation without greasiness.
- The Ordinary Squalane Cleanser**
 - Minimalist, affordable option that removes makeup without drying the skin.
 - Free from irritating ingredients, suitable for all ages.
- Bioderma Atoderm Apaisant Fluide**
 - Ideal for very dry or sensitive skin with thermal water and shea butter.
 - Soothes eczema and dry patches effectively.
- La Roche-Posay Toleriane Line**
 - Uses Thermal Spring Water and ceramides to restore the skin barrier.
 - Suitable for sensitive skin types, offering both cleanser and moisturizer options.

These brands offer a range of products that are generally suitable for all ages, with an emphasis on gentle ingredients and effectiveness. Consider your specific needs regarding scent preference, price point, and availability when making your choice.

Does Neutrogena's Hydrating Facial Cleanser contain any sulfates or parabens?

Neutrogena's **Hydrating Facial Cleanser** is free from **sulfates** and **parabens**. It is formulated with ceramides, hyaluronic acid, and glycerin to hydrate and soothe the skin without stripping it of its natural moisture. This makes it a gentle option for all ages, including sensitive skin types.

If you're looking for products that are free from harsh ingredients, Neutrogena's Hydrating Facial Cleanser is a safe choice. Let me know if you'd like more recommendations!
